

CLOUDLEDGER SUBSCRIPTION AGREEMENT - MASTER TERMS
(Version 4.2, effective 1 June 2026)

These Master Terms govern subscriptions by businesses to the CloudLedger accounting platform (the "Service") provided by CloudLedger Technologies Inc., 2850 Delancey Street, San Francisco, CA ("Company", "we"). By clicking "I agree" or by using the Service, the entity you represent ("Customer") accepts these Terms.

1. SUBSCRIPTION AND ACCESS

- 1.1 Subject to payment, the Company grants Customer a non-exclusive, non-transferable right to use the Service for its internal business purposes during the Subscription Term, up to the number of authorised users purchased in the Order Form.
- 1.2 Customer may not (a) resell or provide the Service to third parties; (b) reverse engineer the Service except where law forbids restriction; (c) exceed the usage limits in the Order Form without purchasing additional capacity.

2. TERM, RENEWAL AND FEES

- 2.1 The Subscription Term is stated in the Order Form and renews automatically for successive twelve (12) month periods unless either party gives notice of non-renewal at least sixty (60) days before renewal.
- 2.2 Fees are due annually in advance and are non-refundable except as expressly stated. Late amounts accrue 1% interest per month; the Company may suspend the Service on ten (10) days' notice for non-payment.

3. SERVICE LEVELS

- 3.1 The Company targets the following monthly uptime:

Monthly uptime	Service credit (% of month's fee)

< 99.9% - >= 99.5%	10%
< 99.5% - >= 99.0%	25%
< 99.0%	50%

- 3.2 Credits are the sole remedy for unavailability, require a request within thirty (30) days, and exclude unavailability caused by Customer systems, scheduled maintenance announced 48 hours ahead, or force majeure.

4. CUSTOMER DATA AND PRIVACY

4.1 Customer owns all data it submits ("Customer Data"). The Company processes Customer Data only to provide the Service and as described in the Data Processing Addendum (DPA).

4.2 The Company maintains SOC 2 Type II controls, encrypts data in transit (TLS 1.2+) and at rest (AES-256), and provides export tooling; on termination Customer Data is retrievable for thirty (30) days and deleted within ninety (90) days thereafter.

5. CONFIDENTIALITY

Each party protects the other's non-public information with at least reasonable care and uses it only for this relationship, for the term plus three (3) years.

6. WARRANTIES AND DISCLAIMER

The Company warrants the Service materially conforms to its documentation during the term.

EXCEPT AS STATED, THE SERVICE IS PROVIDED "AS IS" AND ALL IMPLIED WARRANTIES INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED.

7. INDEMNITIES

7.1 The Company defends Customer against third-party claims that the Service infringes IP rights and pays resulting damages, provided Customer notifies promptly and grants control of the defence.

7.2 Customer indemnifies the Company against claims arising from Customer Data or use of the Service in breach of these Terms.

8. LIMITATION OF LIABILITY

Neither party is liable for indirect, special or consequential damages. Each party's total liability is capped at the fees paid in the twelve (12) months before the claim; the cap does not limit the Company's indemnity in 7.1 or a party's breach of confidentiality.

9. TERMINATION

Either party may terminate for uncured material breach on thirty (30) days' notice. On termination, Customer's access ends and accrued fees become due.

10. GOVERNING LAW

These Terms are governed by the laws of the State of California; the parties submit to the exclusive jurisdiction of the state and federal courts in San Francisco County.

11. CHANGES TO TERMS

Material changes are notified thirty (30) days in advance; continued use after the effective date constitutes acceptance. The current version is always at cloudledger.example/terms.
