This Agreement is made on 2 March 2026 and governs all purchase orders placed during its term.

1. SCOPE. Supplier shall supply precision motor components listed in the Product Catalogue (Annex I), and Buyer shall purchase them, under the terms below. Each purchase order accepted in writing by Supplier forms a separate contract on these terms.
2. PRICING. Prices are as per the price list in Annex II, EXW Dusseldorf (Incoterms 2020), exclusive of VAT and packing. Prices hold firm for the Initial Term; thereafter they adjust once per year by the movement of the producer price index for metal goods, capped at +/- 6%.
3. FORECAST AND ORDERS. Buyer provides non-binding rolling forecasts quarterly and binding orders 4 weeks ahead. Supplier confirms or proposes alternatives within 3 business days.
4. DELIVERY. Delivery dates are estimates unless expressly warranted. Supplier delivers DAP Bristol for orders above EUR 20,000 value; partial deliveries up to 10% of quantity are acceptable unless the order states otherwise.
5. QUALITY. Goods conform to ISO 9001:2015 and the drawings in Annex I. Buyer inspects within 14 days of receipt; latent defects notified within 12 months are repaired or replaced free, at Supplier's choice, FOB original shipment point.

6. PAYMENT. Invoices are payable net sixty (60) days from invoice date by bank transfer. Late payment accrues interest at 8% above the European Central Bank reference rate. Buyer may set off amounts Supplier owes under this Agreement only.

7. TOOLING. Tools made for Buyer remain Buyer's property against payment of the tooling charge, held by Supplier in good condition and made available on demand.

8. INTELLECTUAL PROPERTY. Buyer drawings remain Buyer property, used only for this supply. Supplier retains all rights in its manufacturing processes and know-how.

9. LIABILITY. Supplier's aggregate liability under this Agreement is limited to the invoice value of the affected goods; neither party is liable for indirect or consequential loss, including lost production, save for wilful misconduct, personal injury under applicable product-liability law, or breach of Clause 8.

10. TERMINATION. Either party may terminate for uncured material breach on 30 days' written notice, or immediately upon insolvency. On termination, accepted orders complete unless Buyer cancels against reimbursement of Supplier's committed costs.

11. COMPLIANCE. Supplier warrants goods are conflict-mineral free and REACH/ROHS compliant, and that no modern-slavery practices are used in their manufacture.

12. FORCE MAJEURE. Neither party is liable for delays from events beyond reasonable control, including raw-material shortages arising from market-wide disruptions, provided notice is given within 10 days and the event lasts no longer than 6 months, after which either party may terminate affected orders.

13. LAW AND COURTS. This Agreement is governed by the law of England and Wales, and disputes fall to the exclusive jurisdiction of the courts of Bristol, without prejudice to either party's right to seek interim relief elsewhere.
